- Operational Planning
- Teamwork
- Problem Solving
- Leadership
- Finance
- Decision Making
- Customer Service
- Sustainability
- Conflict Management
- Communication
- Coaching & Mentoring
- Continuous Improvement
- Stakeholder Management

Business Improvement Initiatives

Axia Facilities Management Supervisor apprentices have developed new initiatives to reduce energy usage and cut waste in the workplace. This has contributed to their employer's carbon reduction and Net Zero targets.

Others have improved compliance monitoring systems and fully utilised CAFM software. The Facilities Management course is very customer focussed and encourages new ideas for gaining stakeholder feedback and business improvement.
